THE FLOWER MINISTRY

meets on Saturday mornings • Christ Providence

This group meets at Christ Providence and arranges flowers for the Sanctuary, Christ Chapel, Lower Commons (and Christ Concord Sanctuary) every Saturday morning. Occasionally we do arrangements for receptions, special events, and the wedding of a church member. We are also responsible for the Christmas season decorations, Thanksgiving cornucopia, and Easter flowers. We would love to have more members help just once a month and for special events. No floral experience is necessary, lots of on the job training available! A flower arranging workshop is planned for this fall for new members.

CLC BOWLING CLUB

We're starting up a small group for people who love bowling but don't have time to join a league. You don't have to be an expert – families & novices are welcome! Once we get enough interest, we will pick some dates (probably quarterly) & reserve lanes. For more info or to join the list, email Mark Johanson (mjohanson@christelca.org).

BROTHERS IN FAITH

Welcome to our new men's discipleship group, Brothers in Faith, where we come together to delve deeply into our spiritual lives and connect on a profound level. We have found a proven men's discipleship model that has paved the way for many men to experience genuine personal growth, meaningful relationships, and a stronger connection with our God. This will be done by establishing groups of 10 or less individuals that come together as a group with no defined end date. In this way, your group will go through a process to get to know one another, challenge one another all while supporting one another. We will meet off campus, date and time to be determined.
