ANNUAL CONGREGATIONAL MEETING

Sunday, January 23 • 12:15 p.m.

at Christ Providence -or- Online (via Zoom)

from the Senior Pastor

Pastor's Perspective

Annual Meeting: Sunday, January 23

For many churches, the Annual Meeting is a boring, perfunctory event in which we hear about the financials, vote on council members and talk about restriping the parking lot. At Christ Lutheran, it is a celebration of the amazing things that God has done in our midst.

Therefore, I want to encourage you to join in that celebration on Sunday, January 23. The live meeting will be held at Christ Providence in the Sanctuary immediately following the last service—a little after 12:00. You can participate in person at Christ Providence or on Christ Online via Zoom either at Christ Concord or Christ South. You could even watch at home. This will be an interactive meeting in which no matter where you participate, you can ask questions, make comments and cast your vote.

This year, as in past, there are several things to lift up, affirm and celebrate!

- Resuming in-person and online live-stream worship at all four campuses.
- Returning to Polo Ridge Elementary School for Christ South.
- Welcoming Pastor Ryan onboard to the staff.
- Celebrating the many years of service of Pastor Drew, sending him off to the Navy Chaplaincy. His last official Sunday with us will be January 2.
- A committed and generous congregation that supports CLC and provided another strong financial year-end.
- Preparing for our outreach to McClintock Middle School after a long COVID break.

But something big that we need to celebrate and talk about are the next steps for building a worship center on our Christ South land. In the fall, we tapped the brakes on that project as we waited for a new pastor to get on board, provide some stability for that campus and return to in-person/indoor worship. That has now all happened. Now we need to return to those plans, revisit the design and reexamine the costs. At the point of writing this article, I'm not sure the timing on all of that, but it will be an agenda item when we meet on January 23rd.

So come. Come celebrate with your church family. Come hear about who will represent you on council. Come and be a part of the decision on how to move forward with the Christ South building. Come and give thanks to our God who is so good.

How Good, Lord, to be Here!
Pastor Scott

OVERVIEW: *The series is about God entering into our lives and being present in the difficult times. We, as Christians, aren't called away from the difficult times in the world; but rather, Christ/God/His Church is present with us.*

January 16 • Don't Give Up On Justice For All

Christ was made low, like humans. He came into the world to sanctify all people. He could have destroyed it and been done with us all – the Flood. He could have stayed far off and sent another prophet – Isaiah. He could have waved a “magic wand” but He chose to show love, to all. He chooses to take the form of a man and be with us, be our brother. He chooses to link arms and join with us, even die for us. Because, love isn't shown from afar, it shows up, it marches, it sits at counters and sacrifices for others. Love is a verb! *Hebrews 2:9-18; Colossians 3:11; Matthew 28:19; Philipians 2:7; John 3:16; Romans 5:8; John 1:1-14*

January 23 • Don't Stop Believin(g)

The Biblical concept of “hardening hearts” is a shutting down of God's influence in our life. Israelites did this by creating and worshiping a golden calf in the Wilderness. “Today” our hearts are hardened by becoming disillusioned. We take God for granted, treating baptism as an insurance policy instead of an invitation. Expecting that God will forgive and do my bidding; or worse, we become jaded and think that God doesn't care. We can forget who God is and whose we are and go through the motions.

We, Christians, are the continuation of God's great plan. God sends His people out of Egypt and makes His people a great light for the world to see. This continues “today.” Today we are the light bringers. At baptism God enlists us to bring our light into the world. Into the unique place we work and play and live. We get to pray out loud. We get to show people how God is working in their life. We get to invite all people into the house of God to experience the love of God and we don't have to worry if they are godly. We get to be the very presence of God, “partners with Christ” wherever we find ourselves. *Hebrews 3:7-15; Exodus 32:1-6; John 31:36*

January 30 • Don't Stop Being Authentic

Christians are hypocrites. What we believe is in writing. We fall short of that expectation. That tension between how we are supposed to act and how we actually conduct ourselves is the life of a Christian, and makes us hypocrites – and that's a good thing. We don't want to pretend that we're perfect

because there is no way that's going to happen. What is better is that we keep trying. Recognizing our failings and seeking forgiveness. In this way we are living like our Lord. Jesus was perfect but did not glorify Himself. Jesus is the Great High Priest appointed by God to that position forever. He is of a bona fide pedigree: of the Order of Melchizedek. He has every reason to say “look at me” “I am special.” He could have even avoided death but instead he submitted. Our submission is admission. To confess. To recognize that we aren't perfect and then to come, again and again, back to Christ. To say to Christ and anyone who's looking “I have failed to live the life I want to live.” But instead of lowering the bar, instead of accepting things for how they are — we seek Christ and His reconciliation. We come back to His table and receive His Body and Blood and are made clean, if only for the time it takes us to get back to our seats. Are we able to not sin long enough to get back to our seats? The purpose of a Christian life isn't about how perfect we are, it's about how “real” we are when we fall short. *Hebrews 5; John 13:12-18*

February 6 • Don't Give Up on Community

During the pandemic we have had to give up on gathering together in person. Yet, we are called to be a gathered people — to congregate as a people of God and worship, praise and gather around the table to be fed. Then, we go out of the doors to share this message of hope we have with the world. That is what it means to truly be a Christ-centered community. Now that we are slowly gathering back together, how can we support one another? How can we encourage one another? How can we be the church in the world that God has called us to be? *Hebrews 10:19-25; John 17:20-26*

February 13 • Don't Give Up on Stepping Out in Faith

Have you ever heard that faith is belief in action? This chapter in Hebrews outlines a number of heroes of the Bible. All of these heroes of faith struggled with taking the first step. And yet all of them changed the world. What would it mean for us to step out in faith, even when we're not sure where that foot will land? God calls us to put our belief into action. It is in that step that God guides our path. *Hebrews 11:1-3, 39-40; John 15:1-9*

February 20 • Don't Give Up on Yourself

What are some goals you have set for yourself? Exercise more? Read the Bible more? Pray more? Do you start to better yourself, but find you are your own worst enemy? We may give up on ourselves, but Jesus never does. Jesus has faith in us. And Jesus gives us power to run the race. Perseverance comes from two places — keeping our eyes set on Jesus and the community that encourages us. *Hebrews 12:1-3, Matthew 14:22-33*

February 27 • Don't Give Up on Wholeness

Do you ever wake up feeling dreary because of the winter weather? Do you miss spring and summer? Sometimes, those outside factors can lead to feelings of emptiness. Is there any tangible way to find healing and wholeness in the Word? Here in Hebrews, we read that Jesus never gives up on us. Through our struggles Jesus is our helper. With the empowerment from Jesus, we can strive for wholeness. *Hebrews 13:5b-6, 20-21; Matthew 11:25-30 or Mark 5:25-34*

CLC Endowment Fund Update

by BRUCE VOELKER

Do you ever wonder how the Christ Lutheran Endowment funds are used? We often talk about how much is in the funds, or how they are invested, but too often forget to talk about the impact they have. The first of Christ Lutheran's Endowment funds is directly focused on having impact "Beyond These Walls," and our Benevolence Committee chooses how to spend the distribution from this 'Fund I.' In 2020, the fund distributed \$27,756 and that money was directed toward various ministries to help others. Recipients last year included Crisis Assistance, A Roof Above, McClintock Partners in Education (McPIE), and the ELCA Synod.

Our second fund ('Fund II') is a general purpose fund which is allocated by Church Council, again often for benevolence. In 2020, Council designated \$10,000 to the mobile food ministry that our chef, Mike Wallace, leads to feed people in times of need. Mike and his wife Alicia are having a broad impact with this ministry, including providing meals to volunteers at vaccination clinics, meals for Cooperative Christian Ministries in Cabarrus County, as well as the Charlotte Rescue Mission. Again, our Endowment is helping us "Beyond These Walls" to help people in their time of need.

Our Endowment funds continue to grow, both through contributions from members of the church, as well returns on the investments made. Year-to-date, the funds have returned nearly 15%, reflecting an investment portfolio that balances risk and return. We will make distributions from these funds in early 2022 for both the Benevolence Committee and Council to direct where it is most needed. And we plan to acknowledge those who contribute to our Endowment through a Recognition Dinner on April 24th, 2022.

Lastly, we are working to bring more education to interested church members on how they can plan to have a lasting impact with their legacy. While many think that estate planning is only for the wealthy, there are actually many ways people can plan their legacy to both impact the ministries they care about, as well as continue to care for their families. We will be working in 2022 with the ELCA on educational materials and opportunities for those interested to learn more.

Looking Forward at South

by PASTOR RYAN

As we round the corner into 2022 I am reminded of this time last year. We had such high hopes that with 2020 behind, we would be in a better place. I have that same hope, still, for 2022. With vaccines in arms and the better part of two years of living a disjointed life we are all ready for "normal."

At South we are reaching to achieve some normalness. We are back in Polo Ridge Elementary and finding the groove stolen over so many months and years apart. It is great connecting and meeting new people. Bringing family and friends back together to praise our LORD.

Through all the turmoil over the better part of two years, it's amazing how all those things we took for granted have flown up into the air. Not the least of which is connecting and being fulfilled by our church family. There is something deeply satisfying about having a cup of coffee and being with fellow Christians. That's our present endeavor - reaching out to those who've gotten out of the habit and welcoming back those who've forgotten how much God loves them. And even those who may have never known that Godly love.

Declutter your house after Christmas and 'save your stuff' for Donation Saturday! This is a joint event benefitting several different local non-profits:

Assist M.E. provides durable medical equipment to qualified low-income, uninsured and underinsured residents of the Charlotte area. They collect mobility-related rehab equipment (ie. canes, crutches, walkers, wheelchairs, scooters, bath aids, toilet aides, home medical beds, etc). Volunteers prepare and redistribute equipment into the community. "Previously ignored or forgotten equipment kept in garages, basements and attics finds a new purpose in a new life." Assist M.E. served nearly 400 people in 2020 and will exceed that in 2021.

Trips for Kids collects donated bikes to support their annual bicycle recycling program for Charlotte Recyclery. Donated bikes are used for the Earn-a-Bike program and are also sold to fund programming.

Crisis Assistance collects furniture and clothing donations to help our neighbors in need.

Goodwill Industries – Electronics will recycle, refurbish and destroy electronic components (please delete any personal information).

Christmas Shopping Thank You!

While the annual Christmas Shopping event looked different this year, the spirit of giving was felt by all! With families struggling again this year, we sponsored 28 families!

"It has been challenging for a single mom to care for autistic teens with no break. That being said, I am super

blessed and filled with joy that I still have my sons to love and care for with the strength of our Lord and Savior. I would like to say thank you for this blessing for our family." – a Mom whose family was sponsored.

Volunteers shopped for wish list items. When families came to "shop" at Christ Lutheran, we had all their wish list gifts set up in a dedicated space for them with wrapping paper, cards and ribbon! In their own private room, families were able to wrap gifts for their children.

"I love seeing the faces of moms and dads who are so grateful to have gifts to put under the tree. - not even a mask can hide their smiles. Because we have had to switch things up a bit with the emergence of COVID, there is more opportunity to spend one-on-one time with the parents and caregivers. I loved hearing about the kids and their interests and different family traditions. One mom I worked with was putting together a scavenger hunt for her kids for Christmas morning. Another family hides smaller gifts in the tree. So many different families, so many different traditions, but all were extremely grateful. We even had a parent ask if she could come back and volunteer with us next year." – Volunteer

Three families came at a time over the course of 3 days. With such an unprecedented year, being able to give back and help our McClintock community was wonderful! THANK YOU to all the volunteers who shopped for gifts, helped set-up, and assisted families wrapping. The spirit of Christmas was alive and well this holiday season!

"The shopping event epitomizes the Christmas spirit and the McPIE mission. Volunteers and sponsors generously (very generously!) donate time, talents and money to ensure families that have very little enjoy Christmas. The wish lists are simple - often just household basics like sheets, towels and cookware, coats and clothing for the kids and a toy or two. In receiving these gifts, the families are lifted up and reminded that they are a part of the McPIE community." - Volunteer

FAMILY NIGHT IS ON for the Spring Semester!

While the McPIE Challenge Club and Family Night Sampler were successful through the COVID pandemic, it is time to get back into the school building for a full semester - Family Night is ON for Spring 2022!

Beginning February 1st, McClintock classrooms will be buzzing with clubs and classes for families on Tuesday evenings. Middle school students can choose from a variety of clubs to join on Tuesday nights. Clubs have ranged from Innovation Station, Basketball and Woodworking to Cyber Spy, Quadcopters and Top Scot Chef. Share your passions and interests with students and get them excited too! A warm meal, classes for the entire family, and childcare will be provided.

Interested in volunteering? It takes a team of wonderful volunteers to engage students and support families. We need folks to serve dinner, check-in students and families, lead clubs, be a helper/floater, and distribute school supplies. Consider giving your time in 2022! If you are interested in volunteering or want to learn more, contact Angela Davis at adavis@christelca.org.

Thrivent Dollars at Christmas

Thank you to the generous Thrivent members who chose to use their Action Dollars to support the Christmas Shopping event. Seven Thrivent members with \$1,750 Action Dollars provided families with home essentials, clothing, and toys for Christmas.

Thank you to all our members that have taken part in a Thrivent Action Team this year! If any Thrivent members have questions about putting their action dollars to use at CLC, please contact Tammy Sanders at tsanders@christelca.org
